

Angels and Fairies two

These designs are all quick and easy ideas for making Angel and Fairy inspired drops.

Attach them to an earwire for quick and easy earrings

Attach one to a chain for a quick and easy pendant

Put onto a piece of delicate ribbon for a pretty Christmas decoration

These are all quick, easy and inexpensive to make:

Make them as presents; for decorations; to raise money for a local charity ...

The method for making all these delightful ladies is the same, just thread them onto a headpin in the order the beads are listed, trim and loop, then attach your loop to your chain, ear fitting or ribbon to complete.

Length indicated by each one is the length from the top of the loop to the bottom of the beads.
