7 x GP619 6mm gold glass pearls (C)  
2g RC707 gunmetal size 10 seeds (D)  
12 x DR107 diamante rondelles (E)  
6 x FGR405 light Colorado topaz rondelles (F)  
2 x MB003 3mm metal beads (G)  
6 x CCR819 8mm bronze crystal rounds (H)  
1m gold tigertail  
6 x FN016 gold headpins  
3 x FN014 gold eyepins  
Pair of FN006 small fishhook earwires  
FN148 mobile phone strap  
FN210 gold poppa fastener  
FN065 7mm gold jump ring  
4 x FN068 small gold oval jump rings  
12 x FN062 French crimps

## To Make The Charm

Open the loop on an eyepin and pick up a round link. Close the loop. Thread on 1D, 1B, 1A, 1D. Trim and loop. Use a 7mm jump ring to attach the pin to the phone charm.

## To Make the Bracelet

Cut 30cm tigertail.

Use a French crimp to hold a loop at one end of the tigertail, catching one side of the fastener into it as you do this.

Thread on 1D, 1G, 2D, \*\*1C, 3D, 1E, 1F, 1E, 3D. Repeat from \*\* five times. Thread on 1C, 2D, 1G, 1D. Finish with a loop and French crimp catching the other end of the fastener into the loop.

## To Make the Earrings

Onto a headpin thread 1D, 1H, 1D. Trim and loop. Repeat for the other five headpins.

Cut 11cm tigertail, slip a French crimp over both ends and push it up the strands until a loop is left at the end. Cut a 5cm length of tigertail and slip one end of this short piece into the same French crimp and secure it to hold all three lengths in place.

Onto one strand thread 3D, 1C, 2D, 1A, 1D. Turn a loop on the end, picking up one of the pins prepared in step one and secure with a French crimp.

Onto the next strand thread 5D, 1C, 2D, 1A, 1D. Turn a loop on the end, picking up one of the pins prepared in step one and secure with a French crimp.

Onto the third strand thread 7D, 1C, 2D, 1A, 1D. Turn a loop on the end, picking up one of the pins prepared in step one and secure with a French crimp.

Use an oval jump ring to attach the loop at the top of the tigertail to a round link. Open the loop on an eyepin and pick up the other side of the link just added. Close the loop and thread on 1D, 1B, 1A, 1D. Trim and loop. Attach this loop to a round link.

Attach an earwire to this loop with an oval jump ring.
